

Family Camp Weekend at Camp Onas

Memorial Day Weekend, May 26-28, 2018

The whole family can get in on the Camp Onas fun. Family Camp Weekend is an opportunity for families to spend time together, enjoy the outdoors in a simple setting, and make new friends.

Program and Activities

Each day of Family Camp Weekend will be filled with activities you choose. Some activities will have early sign-ups and you can choose from other activities when they are offered. Each unique daily schedule will include activities like: Archery, Canoeing, Ziplining, High Ropes, Casual Sports, Swimming, Drama Games, Nature Exploration, Rock Wall, Arts and Crafts, Hiking, and Games. You can also request activities when you register.

During free time you can choose to relax, go fishing at the pond, take a walk in the woods, swim in the pool or any number of other fun activities. The evenings will be filled with things like a talent show, campfire and games for the entire camp to enjoy together.

Family Camp Weekend at Camp Onas is about setting aside time for your family to be together in a simple setting, engaging with one another face-to-face, and making new friends too.

Accordingly, we ask that Family Camp participants make an effort to avoid the use of cell phones and other digital/ screen devices while at Camp Onas. We know that many of you may need to check in with work or the outside world during your weekend with us, but we ask that you use your handheld devices with discretion, away from the group, and out of eye/earshot. Please know that there is limited reception on our property, we won't be providing WiFi, and there are not many places to charge electronic devices.

Please do not bring drugs, alcohol, or pets with you to Family Camp Weekend.

(Accommodation info and costs are on the other side.)

Accommodations

Families stay in shared bunks with one other family. If you would prefer to bunk alone, you can request to do so on your registration (we will accommodate you if space allows). If you are attending with another family, and would like to bunk together, you may request that on your registration as well.

The pavilions and tents are the same open air units our campers stay in during the summer, with bunk beds and flaps that can be lowered for rain. If desired, a family may request to stay inside in a private room with a shared bathroom for an additional fee of \$75. The private indoor rooms are limited and will be assigned by registration date. *Bedding and toiletries are not provided.*

Meals prepared by our Camp Onas cooks are served “family-style” in the dining hall. We always serve a vegetarian option and have a fresh fruit bar (breakfast) and salad bar (lunch and dinner) at each meal. We are not a nut-free facility, and those with food allergies should contact us to see if safe accommodations can be made. If you have additional dietary restrictions (ex: are vegan, have food allergies, gluten sensitivity, or other restrictions) we encourage you to bring extra food and snacks (we have a limited amount of storage space in our camp kitchen), to supplement meals when your options are limited. We ask that families not eat or store food in sleeping accommodations (indoor or outdoor), as doing so can attract pests.

Costs

\$140 each for Adults and teens 14 and older

\$80 each for children age 3-13

No charge for children under 3

\$75 additional per family if requesting indoor accommodations

All food and program costs are included.

To register, visit www.camponas.org.

Our website also contains additional information about arrival and departure times, a packing list, and more.

Questions or concerns? Please do not hesitate to contact us.
