Fall 2021

Hello from Onas!

Happy Fall to everyone in the Onas community, far and wide!

As the leaves start to fall from the trees and the tents are taken down, we are thinking about the amazing summer we had with all of you. Camp just is not the same without you here!

Don't worry, we are keeping busy getting ready for the Winter Reunion, setting up registration for the summer, and teaching my foster kitten camp songs. Can't wait to see you all soon!

Onas Graduates

While your time as a camper may have come to a close, we hope you continue to be a part of the Onas community! Join our Alumni Network (www.camponas.org/alumni/) to stay updated on what's going on around Onas and keep in touch with other former campers and counselors.

If you are interested in applying to be on staff, you can fill out an application on our website beginning on **December 27th**. We strongly prefer people who have taken a gap year between graduating and joining us on staff, but this does not apply to campers who attended the 2021 Older Camper Session. Visit our website for more information about applying, and remember, it is you applying for this job and not your parent or guardian, so please reach out to us if you have any questions!

Showerhouse Project

Do you want to learn more about the showerhouse project? Construction is in full swing, so we are having a Zoom-based information session on **December 6th**. Register on our website and come get some more information about the construction and what we are accomplishing.
