PACK YOUR THINGS IN

Please make sure your luggage is 13.5 inches or less in height, so it can fit under your bed. **People often pack their things in:**

- Camp Trunk (13.5" or less high)*
- Large Duffel (Needs to squish to 13.5" or less)
- Suitcase (13.5" or less)
- Crates or plastic bins (13.5" or less)

There is limited space in the bunks, please be selective about what you bring to Camp, and remember you will share the floor space under your bunk with another person.

*"Everything Summercamp" is a company that sells trunks this size.

LABEL EVERYTHING!

Please mark all of your clothing and belongings with your name in permanent ink. A laundry pen works well for this.
