

Hello from Onas!

I am having a hard time believing that it has been over 3 months since the summer ended!

It has been a busy fall with lots of schools visiting Onas and lots of time spent preparing Camp for the winter. The tents are down, Dining Hall closed, and cover on the pool. Things are very quiet around here, but we can't wait for the excitement the Winter Reunion will bring.

I won't be at the Winter Reunion this year, but I know you all will make so many memories with Holly, Matt, and our Onas counselors. I can't wait to see the pictures and hear the stories afterward!

-Dex

Onas Graduates

While your time as a camper may have come to a close, we hope you continue to be a part of the Onas community! Join our Alumni Network (www.camponas.org/alumni/) to stay updated on what's going on around Onas and keep in touch with other former campers and counselors.

If you are interested in applying to be on staff, you can fill out an application on our website beginning on **December 26th**. We strongly prefer people who have taken a gap year between graduating and joining us on staff. Visit our website for more information about applying, and remember, it is you applying for this job and not your parent/guardian, so please reach out to us if you have any questions!
